Technical Information: Concrete release agent, mineral oil-free KB 2000

Chemical name : Concrete release agent, mineral oil-free KB 2000

Sustainable concrete release agent for wooden formwork. Free of mineral oils or vegetable oils; water- and polymer-based

Einecs-No. : Gemisch

CAS-No. : Gemisch

General informations : Concrete release agent, mineral oil-free KB 2000 is a completely oil-free, innovative, biodegradable concrete release agent based on water/polymer. It is free from mineral oil and solvents. Concrete release agent, mineral oil-free KB 2000 can be applied directly to formwork without further dilution.

Application :

Application benefits

Mineral oil-free
Solvent-free
Odorless
Prevents pore formation
Ensures smooth, clean surfaces
No labeling required
Flame-retardant
Clean formwork boards, no deposits
Excellent release properties

Version: 03.08.2026
