Technical Information: SPC Biogas Rescue Kit

Chemical name : SPC Biogas Rescue Kit

Emergency Kit for Stabilizing Biological Processes in Biogas Plants

Synonym : wenn in der Biogasanlage nichts mehr geht... Hilft das Biogas Rescue Kit !

General informations : an emergency kit for biogas plants that have gone into an upset state. Helpful for bridging the time until a specialist arrives and for addressing initial signs of deficiency, inhibitions in the biology, and similar disturbances. The Biogas Rescue Kit contains activators for methanation, sulfur binders for biological sulfur binding, and products to promote process biology in the fermenter.

Application : to be applied in an emergency according to telephone instructions from our biologist.

Hazard Informations : Observe product labels! Keep away from children!

Label : GHS07

Version: 30.07.2026
